## PREFACE

These Indexes to the subsidiary legislation are divided into four Tables.

Table I contains the annual subsidiary legislation published in Part II of the Sarawak Government *Gazette*.

Tables II and III are the cumulative indexes of existing subsidiary legislation enacted or in force prior to 31st December, 2022. Table II contains subsidiary legislation dealing with State subject matters and Table III with Federal subject matters. For the sake of convenience, hybrid laws and those laws for which the State Government is responsible are included in Table II.

Reference is made in Table II where the subjects were formerly contained in that Table, but which are now transferred to Table III, and *vice versa*.

Table IV contains statutory appointments made under Federal or State laws.

In certain cases, identical notifications concerning Federal matters were published in the Federal *Gazette* as well as the State *Gazette*. In those cases, the notification numbers of both the *Gazettes* are included in the Indexes. As the State *Gazette* is more easily available, the notification of the State *Gazette* is given as a first reference, and the notification number (in brackets) of the Federal *Gazette* is given as an optional reference.

*Note: If there are errors or omissions which may present themselves to users, it will be appreciated if they are brought to the attention of the State Attorney General's Chambers, Petra Jaya, 93502 KUCHING, Sarawak (Tel: 082-446160).*
